A desire to translate the Bible into English
that changed not just the way we speak,
but the way we **LIVE!**

2011 marks 400 years of The King James Bible

Join Scene Change Theatre Company to create a play in a day! This exciting performance for schools is celebrating the impact of this Bible translation on our language and culture.

The backdrop is a Jacobean England of Shakespeare, a Killer Plague and The Gunpowder plot, yet this was the setting for one of the finest pieces of English literature ever to be produced.

Scene Change Theatre Company weave in and out of these historical events to tell a story that impacted not just our country, but the whole world.

The **King's Quest** project is for years 4 - 6, linked to KS2 in
History, English, RE and Citizenship.

The day will include educational drama workshops, music and a costumed performance.
